MESSAGE FROM THE ACADEMIC CO-ORDINATORS

About Matrix Foundation program for grade 6-10 students!

As we all know, India is coming out as a leader among developing countries – especially on the technology and healthcare front. This has been primarily led by creating a sound industrial, knowledge and technical infrastructure. Our country's continued focus on quality education has played a vital role in maintaining the momentum of continued growth across all possible dimensions.

We at Matrix strongly believe that with the quality education being provided for competitive exams such as, Olympiads, JEE, NEET etc., Matrix foundation is also playing an integral role towards developing qualified professionals from this part of the country.

We have always believed that nurturing young minds at an early age can lead to great professional growth in later years for these individuals. And the solid foundation for the preparation of IJSO, RMO, Pre-RMO, NMTC and other relevant examinations that we have created has already been paying dividends to our system. We have already been producing district and state-level toppers in all competitions in grade 6-10 such as NMTC, NSEJS, Pre-RMO, RMO etc. for last 7 years consistently. In fact, no other school &

coaching institute has matched Matrix foundation results in grade 6-10 over last 7 years.

Now, in 2023, with all India topper (Mayank Soni" in IIT-JEE (JEE Main 2023) with a perfect 100%ile score, Matrix foundation has proved its mettle at national level. We believe that his learnings during our foundation program for class 6-10 also played a role in his success in topping JEE at an all-India level!

We would like to take this opportunity to express our gratitude for the faith and trust you have shown in MHS. As always, we hope to cultivate unique strengths of each individual student through this program. Our dream has been to produce rewarding careers for our students. We plan to accomplish this by supporting them in their efforts through best-in-class academic programs, qualified faculties and an efficient management system which is conducive to their growth.

We are very confident that our association will be one of the most cherished decisions of your ward's student life. We will ensure that no stone will remain unturned by MHS to ensure a great career ahead for your ward.

With Best Regards
Matrix foundation & Schooling Academic team

"At the point when students move on from school, their entrance into the world ought to be smooth to the point that not a ripple should mar their progress from adolescence to adulthood. It ought to be impactful to the point that it touches the lives of all those around them. And, it ought to be so unique that it stays carved in the minds and hearts of the individuals who were touched upon by them."

This is the dream that we at MATRIX HIGH SCHOOL (MHS) have for our students. We need to set them up, so they can confront toughest of challenges with a smile and acknowledge highest of the accomplishments with humility. We need them to be known as honourable players and not only winners, as wise and not only savvy, as understanding and not just knowledgeable, as kind and empathetic and not simply friendly.

Life at the MHS is an energizing voyage which starts when children enter its portals and venture into the intricate space of the enlightening educationists. Alongside dominance of the different zones of academics, we urge them to appreciate and exceed expectations in extra-curricular activities. They are guided to understand the intricacies of governance by organizing events and donning the mantle of student leadership. They are educated to be autonomous in thoughts, yet to act inside

the structure of propriety and regard for other people.

We applaud those high achievers who bring fame to this temple of education we call MHS with their accomplishments in both academic and non-academic arenas. Yet, it is those students who embodies the values of benevolence, tolerance, trustworthiness and integrity who are remembered fondly after they have left school and who leave a permanent engraving in the records of the historical annals of the school for they have picked an undeniably strenuous path to pursue; one of self-control, which is loaded with standards a customary individual may discover hard to pursue.

It is important that the graduated class of MHS progresses towards becoming pioneers in their chosen fields. However, it is also important is that they become great individuals who are respected by their peers for their outlook towards the humanity at large.

We conclude with a message for our students:

"Whatever must be done, must be done with passion for only in that lies perfection. And, we at MHS strike for perfection in everything we do."

With Best Wishes

MHS Management & Mentorship Committee

WHY CHOOSE MHS ?

Best Faculty Team

The MHS is proud to house one of the best faculty team for schooling & foundation program not only in Sikar, but in the entire State. MHS faculty team is an unmatched intellectual pool of school teachers, who have outstanding combination of proven record, experience, qualified & experienced intellect that is needed to excel in school education in an holistic manner.

We take proud in the fact that all our lead faculty members are some of the most senior faculty members. They have consistently produced top-class results with numerous merits in various state boards over last many years.

Outstanding Teaching Methodology

Teaching methodology at MHS is a welcome change from rote learning approach generally adopted in Indian school systems.

At MHS the teaching approach is not teacher centric but its student centric. Its an inquiry-based learning system, where students are encouraged to ask questions in classrooms as well as outside classroom.

MHS Digital Learning Program

These are another paradigm shifting initiative from Matrix in the Sikar city in school education. MHS offers best in class digital learning aid to students to ensure that no student is left behind. You can see the details of the digital learning program on the next page.

Best-in-Class Foundation Program

MHS is the 1st school in the region to offer a compulsory Foundation program for Class 6-10 students. Under the program, students are molded to compete and succeed in competition exams such as JEE, CLAT, UPSC etc. NEET comfortably. In this program, along with board exams, students also focus on competitive exams from class 6th itself. These classes are taken by faculties who are proficient in teaching students for competitive exams.

Trust of Matrix System

With a modest start in Feb 2014, Matrix system has become the most trusted education system in Sikar during 2014-25 period. Many ups and downs came in the education sector in Sikar, but Matrix system has stood like a rock in sea. Highest selections in NTSE – not once, not twice but 3 years in a row speak of leadership of MATRIX in foundation division in Sikar. Similarly producing Sikar topper in 10th CBSE (99%) in the 2nd year of its inception speak about our superiority of MATRIX system for board students. Led and mentored by a team of 20+ IITians, 20+ NITians and 2 IIM graduates, our system guarantees that at MATRIX your ward would be in the most academic capable hands that Sikar has to offer.

WHAT IS MATRIX FOUNDATION DIGITAL LEARNING PLATFORM?

How can this help a school student like never before?

Video lectures for Difficult Subjects

The best quality videos will ensure that even if you miss a class due to something important, you don't have to miss the entire chapter. You can easily cover the missed topic in video lecture and continue the regular classes without taking any break. This is very useful in continuation of study program when you miss some classes due to unavoidable reasons. This is also useful when a particular topic/chapter is very tough and you face difficulty understanding it in class.

$$\cos \phi = \frac{1}{\sqrt{2}} = \frac{10}{10^2 + \left(10 - \frac{1}{100C}\right)^2}$$

Video Solutions of Science and Mathematics Material

The solutions would help you master each and every question in our study material in an excellent manner. Sometimes, students cannot ask questions in classroom because either they feel shy or they think that it has already been discussed. In such cases, video solutions can help greatly. If you have any doubt in any of the questions, you can anytime come to the Video lab and watch the complete video of the solution. The solutions are recorded by well experienced faculty members in a very coherent and easy to understand manner.

Online Testing and Detailed in-Depth Analysis for Various Competitive Exams

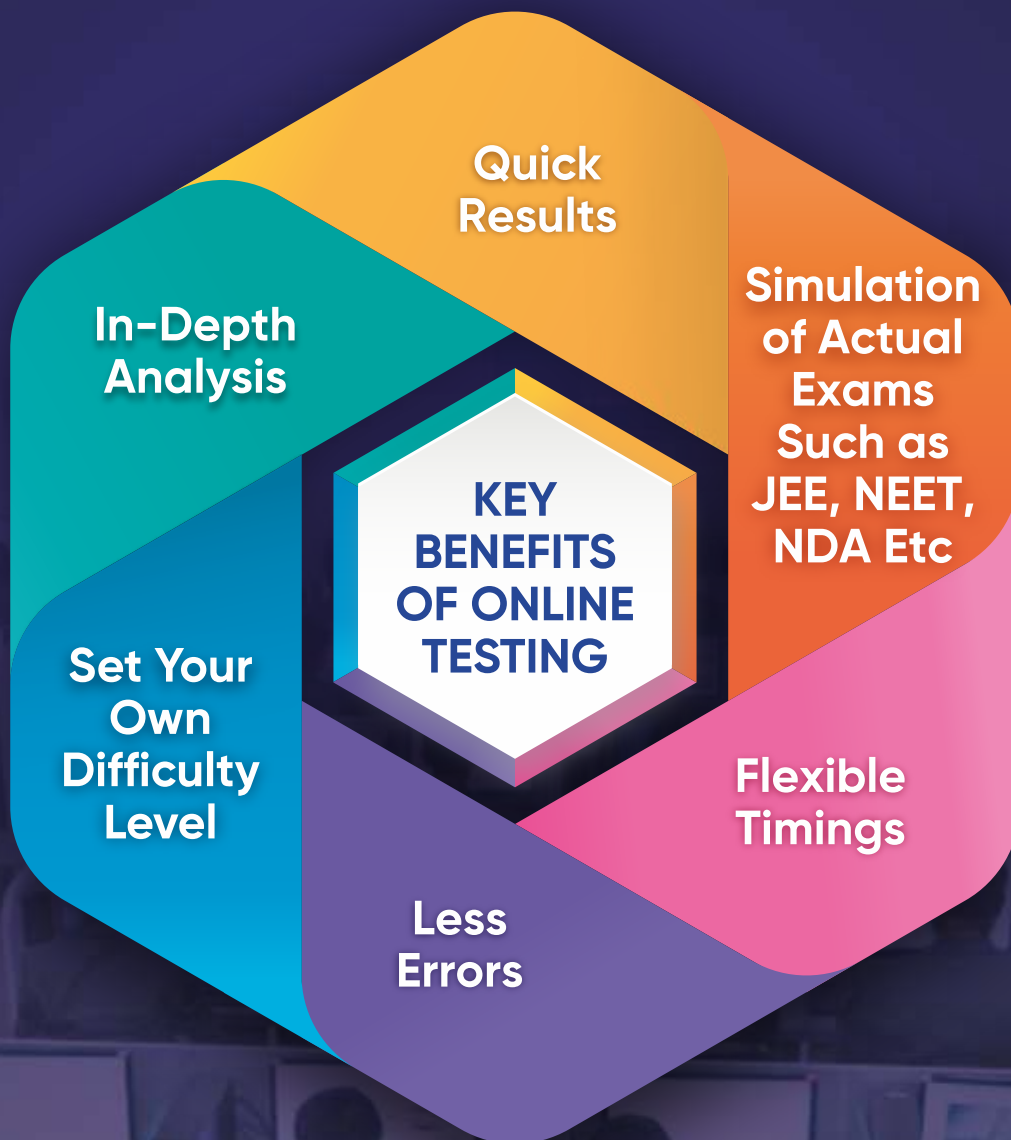

Online tests have many advantage over offline paper based tests. Students can choose any topics of their choice and take a test to check their preparation level. The online testing platform at MHS has many unique and mind blowing analyses that can help you identify your weak and strong areas. You can also see how much time you spent on each of the questions and how was your accuracy at different levels. All in all, now that most exams are becoming completely online, this testing platform would greatly help you become confident in online exams.

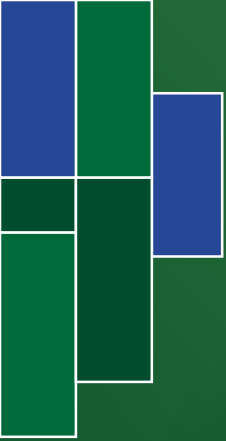

MHS ONLINE TESTING AND PRACTICE LAB

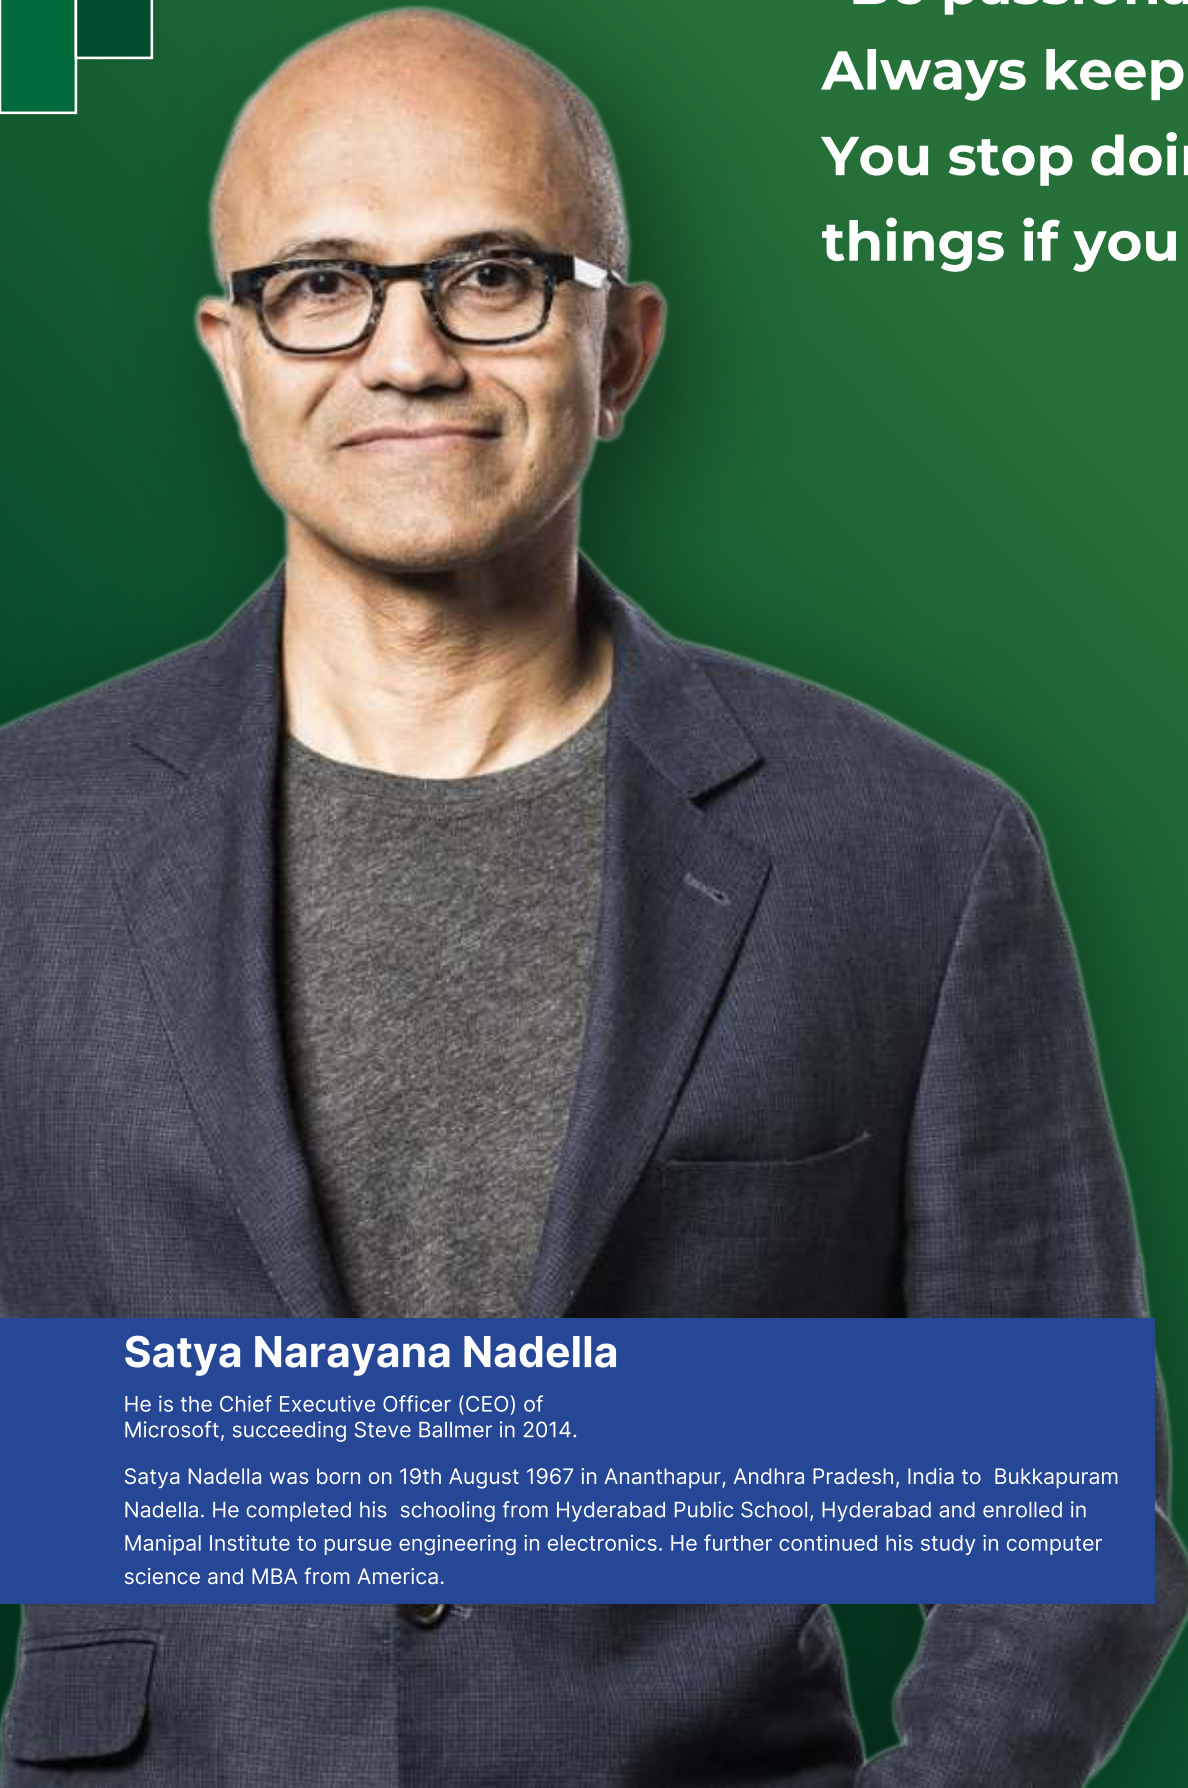

Experience it to believe it!

MHS has a fully developed online testing module where students can take test for any exam of their choice such as NDA, AIIMS, NEET, JEE etc.

I want to thank the Matrix team for providing me the very material and guidance I needed for cuet preparation. The practice papers helped me to ace all the sections. The extra English lectures with new vocabulary and exercises everyday helped me a lot. Plus, our subject teachers prepared us for boards with CUET in mind, which boosted my confidence when I started preparing for CUET and found it easy to crack. Thank you!”

WHAT OUR ALUMNI SAY

I'm Krishna Jangid from the 2023-24 batch of Class 12 Humanities/Arts. I am writing to express my heartfelt gratitude for the constant support, guidance, and encouragement I received during my journey at Matrix. My academic achievements would not have been possible without the strong foundation and disciplined learning environment provided here. With the help of Matrix, I successfully cleared CUET, scored 89.8% in my Class XII Board examinations, and achieved a perfect 100/100 in Psychology. These results are a reflection of the dedication of my teachers and the consistent academic system followed at Matrix. What truly made Matrix special for me was its unique teaching approach that focuses on conceptual clarity and deep understanding, rather than limited exam-oriented learning. The regular assessments and structured revision strategy ensured that I stayed consistent throughout the session and improved step by step. The weekly tests and continuous practice helped me strengthen my weak areas and build confidence before the final examinations. I am also extremely thankful to my subject teachers for their mentorship, motivation, and interactive teaching methods, which made learning engaging and effective. Their support played a major role in my improvement, especially in Psychology. Today, I am proud to share that I have been selected in the Tata Institute of Social Sciences (TISS) and am pursuing my further studies from there. Thank you, Matrix, for shaping my academic journey and helping me achieve my goals.

Hello , I' Rajshree Shekhawat from the 2023-24 batch of 12th Humanities. I am writing to express my sincere gratitude for the invaluable support and guidance I received during my five years at Matrix. As Rajshree Shekhawat, a student from the 2023-24 batches of 12th Humanities, I am immensely thankful for the role Matrix played in my academic success. I achieved a score of 98.8% in my board examinations and 770/800 in the CUET, which has enabled me to pursue a BA in Political Science and Psychology at Lady Shri Ram College, Delhi University. These accomplishments would not have been possible without the exceptional education I received at Matrix. The unique teaching methodology employed at Matrix instilled in me a genuine zeal for learning. The emphasis on conceptual understanding, rather than mere exam preparation, has been instrumental in my academic growth. The consistent weekly tests, conducted in accordance with the board pattern from July onwards, were crucial in ensuring thorough syllabus completion and effective revision. Furthermore, the dedicated subject teachers provided unwavering mentorship and guidance throughout the academic session. Their interactive and engaging teaching methods fostered a stimulating learning environment. I am deeply appreciative of the comprehensive support I received at Matrix. INTRODUCING MATRIX FOUNDATION

Foundation program for 6th to 10th students

"Simply the best gift your child can get"

*"Infinite potential to change the academic learning
trajectory of your child in just 2 years!"*

GROW WITH MATRIX FOUNDATION

Every end marks the start of a new beginning, which brings new opportunities as well as new challenges.

Our proven track record in imparting quality education reflects on our dedicated teaching staff and our teaching methods that has enabled our students to achieve great success. Over last 9 years, Matrix has achieved tremendous success in preparing students for competitive exams such as JEE, BITSAT, NMTC, IJSO etc. along with board examinations.

Encouraged by our success over last 9 years, we have embarked on a structured residential program to prepare the young minds for the prestigious exams such as NMTC, RMO & IJSO as well as for their school studies and guiding them for the engineering/ medical and other competitive examinations in future.

We have always believed that nurturing young minds is a tough task. Talent alone is not enough to excel in nurturing these young minds. We need dedicated unidirectional efforts to create an atmosphere of synergy so that students can get optimum results without overburdening themselves at a young age.

WHY FOUNDATION PROGRAM ?

Because if you are interested in a great academic career for your children, you need to know below facts

01

As per the experts, more than 90 out of top-100 students in JEE (Advanced) are usually those students who had enrolled in some kind of foundation programs. Sometimes as early as class V!

In India competition is increasing every year. In 2025, more than 14 lakh students enrolled for JEE (Main). Out of these 14 Lakh students, only 18160 students (1 out of every 80 students) will get a seat in IITs.

02

03

All board-pattern based exams are now competency-based, so foundation students get a strong edge. At Matrix High School, pre-foundation boosts board performance. In the CBSE 10th board, our topper Ishita Kumari scored 99%, with 23 students scoring 97%+, 100 scoring 95%+

"It has become a reality in our country that if you want to achieve the best, you have to start early."

Classrooms:

All the classrooms at MHS residential campus are well equipped with latest technologies for most efficient learning for all subjects. Airy, spacious and technology enabled rooms are powered by smart classroom systems with adequate natural light and feel of openness.

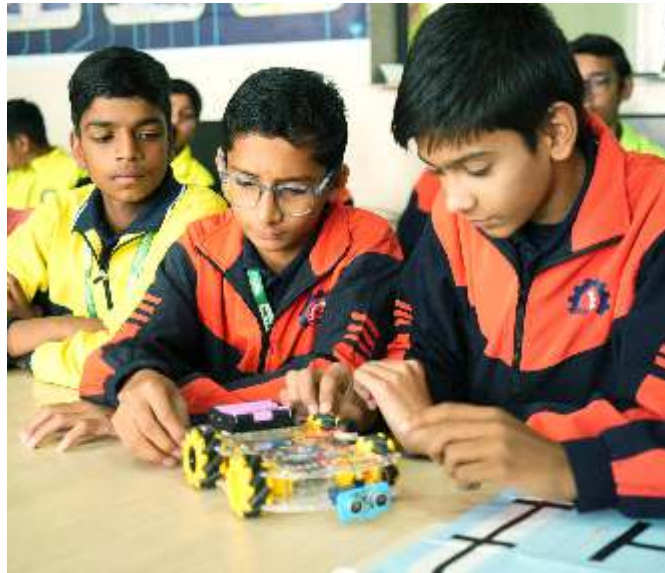

Auditorium:

This fully air-conditioned building is a one stop destination for MHS students for various seminars, exhibitions, debates, speeches, dramas and so many other activities. The newly constructed state-of-the-art hall can accommodate up to 350 students in one sitting.

Moreover, with thorough video solutions for science and mathematics along with advanced online testing and detailed students preparation analysis for various competitive exams hold a strong edge over traditional offline paper-based tests. From preparation to test and complete analysis is what marks a student's success. Moreover, be it advanced academic support or a strong platform to learn and develop new skills like programming and coding, Matrix is always there for their students by proving full required software support and expert mentorship.

SCIENCE LABS

Laboratories aim to create opportunities to provide students with hands-on experience of laboratory experiments, which could bridge the gap between theoretical concepts and their application in everyday life. The laboratory performance is based on the idea that science focuses on hands-on, minds-on observational activities and that these activities help students make connections between various scientific concepts and real-life experiences. If students are to make use of any technology/scientific skills in their classrooms, they must learn to make observations, formulate hypotheses, conduct experiments, collect data, use appropriate tools, analyse the data and interpret the obtained results. The practical enable students to connect to other science areas, communicate the information effectively, and argue their conclusions logically. Students can learn these skills if they can participate in various laboratory exercises.

CULTURAL EVENTS & OCCASIONS AT MATRIX HIGH SCHOOL

Teacher's Day Celebration

Matrix High School celebrated Teacher's Day with great enthusiasm and joy on 5th September. The programme began with the ceremonial lamp lighting by the revered Director, Mr. Rajendra Burdak, followed by an invocation. Students presented a vibrant cultural show featuring poems, songs, dance and drama, expressing their love, gratitude and respect for their teachers. Adding to the spirit of the celebration, teachers also participated in performances, making the occasion even more memorable and lively. Students honoured their teachers with glitzy titles, highlighting their dedication and the important role they play in shaping young minds. The celebration was a heartfelt tribute to the educators who inspire, guide and nurture students into responsible and compassionate individuals.

Children's Day Celebration

It was a colourful carnival filled with joy, laughter, and smiling faces. Our Director Sir Kapil Singh Dhaka, respected Principal Ma'am, management, teachers, and students all came together to enjoy the celebration. The campus came alive with food stalls, fun games, music, and creative corners. The best part—this entire carnival was planned and managed by our talented Matrix students. It was a day full of happiness, teamwork, and beautiful memories of childhood at Matrix.

Mother's & Father's Day Celebration

Matrix High School celebrated Mother's & Father's Day with warmth, gratitude and heartfelt emotions. The event was a special occasion for students to express their love and respect for their parents, who play a vital role in shaping their lives. Mothers were honoured for their endless care, sacrifices and unwavering support that helps children grow into confident and responsible individuals. Similarly, fathers were appreciated for their guidance, strength and constant encouragement in their children's journey. Through meaningful activities and expressions by students, the school highlighted the importance of respecting and valuing both parents. The celebration reminded everyone that a mother's affection and a father's support together create a strong foundation for a child's success. The day concluded with smiles, appreciation and cherished memories for all.

Ganesh Chaturthi Celebration

Matrix High School celebrated Ganesh Chaturthi with great zeal and devotion. The festival, marking the birthday of Lord Ganesha, the god of knowledge and prosperity, filled the campus with positivity and joy. The celebration began with the sacred lamp lighting by Mr. Shiv Kumar and the Managing Director of Matrix High School, Mr. Shubhakaran Jakhar, in front of the idol of Lord Ganesha. The auspicious ceremony was followed by a soulful Ganesh Vandana, creating a spiritual and festive atmosphere throughout the school.

CULTURAL EVENTS & OCCASIONS AT MATRIX HIGH SCHOOL

Yoga Day Celebration

Matrix High School celebrated the International Yoga Day with great enthusiasm under the theme "One Earth, One Health." Students actively participated in asanas, pranayama, and meditation, experiencing the true essence of yoga. The school was honoured to welcome Sumedhanand Saraswati Ji, whose inspiring words motivated everyone to adopt yoga not only as a physical exercise but also as a way of life. He emphasized the importance of a healthy lifestyle and highlighted how yoga brings balance to both body and mind. The session filled the campus with positivity, calmness, and energy—because at MHS, wellness starts young.

Christmas Day Celebration

Christmas Day at Matrix High School was filled with cheer, music, and celebration. Students enjoyed lively dance performances, joyful singing, and moments of togetherness. Laughter and festive energy could be felt all around the campus. It was a warm and happy celebration that made Christmas truly special for our children.

Educational Trip

Educational trips help students learn beyond textbooks through real-life experiences. This year, Matrix High School organized enriching tours for Grades 6 to 12 to Punjab and Gujarat. In Amritsar, students visited the peaceful Golden Temple, historic Jallianwala Bagh, and witnessed patriotism at the Wagah Border, gaining insights into India's culture, discipline, and service. In Gujarat, they explored the magnificent Statue of Unity, Gandhi Ashram, Science City, and the beautiful Swaminarayan Temple, which inspired pride and unity. The trips were fun, informative, and helped students become more confident, responsible, and independent.

Annual Sports Meet

Like every year, Matrix High School's Annual Sports Meet was a grand success. This year, the 5-day meet gave students a wonderful platform to unite, celebrate, and showcase their sportsmanship and talent. The event was graced by the presence of Director Mr. Kuldeep Khichar and Principal Mrs. Rajeshree Shihag, who encouraged students by highlighting how sports make them physically fit, mentally strong, and more confident. The opening ceremony began with great enthusiasm, including the hosting of the Sports Flag and the official declaration of the meet open.

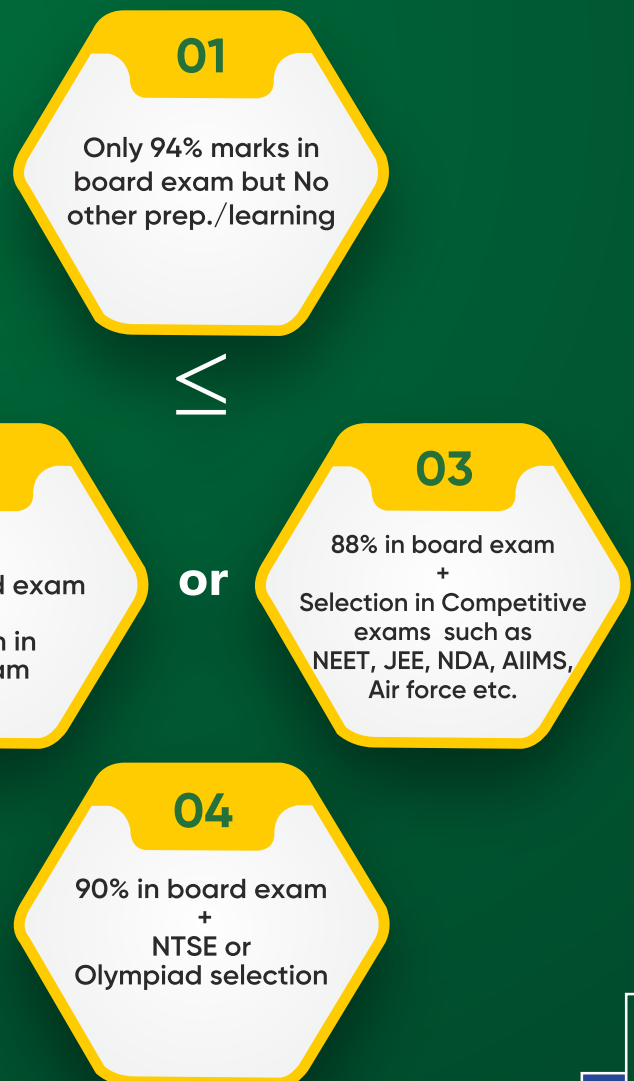

Summary of Our Results in Competitive and Board Examinations

OUR DEFINITION OF GOOD RESULTS AT MHS

- As you would see, at MHS we don't believe in getting very high board marks only. Rather, we believe that if there aren't any true learnings then board marks alone will not help.
- Our belief is that its better to score 1 or 2% lower marks in board exams, but ample amount of time should be devoted to prepare a little bit for other exams such as NDA, Airforce – group X, JEE, NEET etc. so that the school learnings can also be helpful in securing a job or getting admission in right college.

"We believe result 2, 3 and 4 are better than result-1."

Note & Result Highlights

Note:-

○ STSE में 10th Class व 12th Class में Science, Arts, Commerce etc. की अलग-अलग Rank List आती हैं, जिन्हें एक साथ combine करने से parents/ students के लिए result analyze करना difficult हो जाता है। इस advt. में हमने केवल 10th Class व 12th Science का result publish किया है।

Result Highlights:-

- Class 12th Science में All Rajasthan overall Top-20 student list में 10 students MATRIX से (Highest in Sikar; Highest in the entire Rajasthan!).
- Overall Class-12th Maths & Biology stream में 20 out of top 36 students MATRIX से (Highest in Rajasthan!).
- Class 10th में कुल 181 (out of ~800) students qualified from 2 MHS campuses; Highest selection rate in entire Sikar and Rajasthan!
- Class 10th Result all Boards: State level पर Top-10 ranks में 15 students MHS से (Single highest no. of selections from any one school of Sikar!).

About NDA by MHS World School

NDA is a premier institute or training center that trains young boys to become officers in the INDIAN DEFENCE FORCES.

NDA examination is conducted by UPSC twice a year (usually in April & September). Candidates who have passed class 12th or are appearing in class 12th can fill forms & give the examination. The exam consists of two papers namely MATHEMATICS of 300 marks & GENERAL ABILITY TEST (GAT) of 600 marks & each of 150 minutes. Mathematics exam consists of questions of mathematics till the class 12th level, GAT exam consists of questions of English, GK, & GS.

After clearing the written examination, qualified candidates are called for SSB interview from the respective first choice of 3 forces. Those who are recommended from the SSB are gone through medical examination or check up. Those who clear all the three stages & have name in MERIT LIST are called for a 3 year course to NDA or at INDIAN NAVAL ACADEMY.

At MHS we have designed a curriculum for class XI- XII level that matches the best NDA program at this level in the country for NDA exam preparation. This curriculum will provide support for clearing NDA exam if the student desires so after class XII.

Crafting defence officers year after year!

Matrix student Isha Bijarnia made history by being selected as the first female candidate from Rajasthan to be selected as Lieutenant for the first time from the technical side. The Indian Navy issued a notification in June 2023 for a total of 30 posts, including 9 posts for women for the first time in the armed forces for candidates who have passed 12th and JEE Mains from the technical side through the Service Selection Board. Isha, a multi-talented girl, was successful in her first attempt at the SSB. On the selection of Isha Bijarnia, there was an atmosphere of happiness and enthusiasm in the family, village, friends, and Matrix Coaching and students. technical side, of which 9 posts were reserved for girls.

Manas C Ghasal has blazed a trail for other aspirants of NDA. He joined Matrix Pre-foundation Program in 2019. and secured 93.60% marks in class X. That his grand success in tenth class was not a flash in the pan was reaffirmed when he scored 94.40% marks in class XII. Apart from XII boards, Manas also prepared for NDA through Matrix NDA program. Stakes were high as sailing on two boats could be a risky option. However, Manas took up the gauntlet. He set the doubting Thomases to rest by qualifying for NDA, one of the most prestigious but at the same time toughest exams in India and that too in his first attempt. It is a rarity which many others can only dream of. What makes Manas' feat more remarkable is that he made it to his SSB from 11 SSB, Allahabad which has the reputation of the rejection centre courtesy the number of rejections that candidates have to face there. Manas was also not spared as he got a temporary rejection due to being overweight by 10 kg which was a result of his ligament injury that had forced him to bed for more than a month. He was given just 42 days to shed his extra weight. Manas took everybody by surprise when he slashed his 14 kg weight in just 35 days. Now, he is undergoing a training period as an officer at the Asia's largest naval academy in Ezimala, Kerala. Manas, take a bow. You are pride and glory of Matrix. We wish you all the best!

मैट्रिक्स हाई स्कूल के मुकेश का NDA में अन्तिम रूप से चयन 12वीं के बाद बनेगा सीधा फ्लाइटिंग ऑफिसर

तूफानों से डरकर नौका पार नहीं होती, कोशिश करने वालों की कभी हार नहीं होती।

नागौर जिले के खींवर तहसील के छोटे से गांव पांचला में जन्में बड़े सपने देखने वाले मुकेश की कहानी

किसी चीज को दिल से
चाहो तो पूरी कायनात
उसको आपसे मिलाने
में लग जाती है।

मैट्रिक्स न्यूज, सीकर

बचपन से एक ही जिद एक ही जुनून एनडीए में चयनित होकर देश की सेवा करना ये सपना था, छोटे से गांव पांचला में जन्मे मुकेश का। देश सेवा का बीज तो भारतीय सेना में सेवा दे रहे पिताजी श्री मूलाराम ने बचपन में ही बो दिया। मूलाराम जी (वर्तमान में हिसार कैन्ट में सेवारत) का सीना उस वक्त गर्व से फूलकर और भी चौड़ा हो गया जब पता चला कि उनका बेटा मुकेश उनके नायब रीसालदार के पद से भी ऊँचा पद प्राप्त करेगा।

मुकेश से
फ्लाइटिंग ऑफिसर मुकेश
बनने का सफर

मैट्रिक्स न्यूज, सीकर

मैट्रिक्स हाई स्कूल के मुकेश 12वीं कक्षा के साथ ही देश के एनडीए के 120 चयनित छात्रों में से 1 है। जी हाँ आज हम बात कर रहे हैं उसी मुकेश कि जो मैट्रिक्स हाई स्कूल में पढ़ते हुये ही बनेगा फ्लाइटिंग ऑफिसर। पूरे शेखावाटी के कुल 2 चयनित नाम में से 1 नाम मुकेश का जिन्होंने कोई विशेष कोचिंग नहीं की तो आइये जानते हैं मुकेश से फ्लाइटिंग ऑफिसर बनने की पूरी कहानी..

—मुकेश अपनी मम्मी श्रीमती कानू देवी के साथ

मुकेश कुमार

जज्बा, जुनून और सफलता

अनुशासन से पालना के साथ नियमित अध्ययन मुकेश ने ना करना ही उनके सपने को पूरे करने की सिर्फ 12वीं में रणनीति रही। मुकेश पढ़ाई के अलावा 93% अंक प्रकृति और पर्यावरण, साइक्लिंग और अर्जित किए गणित में भी दिलचस्पी रखता है। बल्कि JEE में

भी 93.5 पर्सेंटाइल प्राप्त किए मुकेश ने बताया कि मैट्रिक्स हाई स्कूल की शिक्षण टीम और मैनेजमेंट टीम के मार्गदर्शन एवं मजबूत इरादों के साथ कठोर परिश्रम से यह मुकाम हासिल किया। ये बात मैट्रिक्स हाई स्कूल की ताजपोशी में चार चाँद ओर लगाती है कि 12वीं में 93% के साथ ही JEE में भी 93.5 पर्सेंटाइल और एनडीए में फ्लाइटिंग ऑफिसर के पद पर चयन।

मुकेश के अनुसार मैट्रिक्स हाई स्कूल में अध्ययन करने का उनका फैसला, नियमित रूप से कक्षा लेने के साथ साथ शिक्षकों द्वारा दिए गये सभी निर्देशों की

विशेष :-

IAF SSB की EXAM crack कर फ्लाइटिंग ऑफिसर की वर्दी पहनने वाले मुकेश के अनुसार अपने लक्ष्य से बड़ा सोचकर और उससे ऊपर के प्रयास करके आप अपने लक्ष्य को आसानी से प्राप्त कर सकते हैं। मुकेश ने अपनी सफलता का पूरा श्रेय माता-पिता और परिवारजनों का आशीर्वाद मैट्रिक्स हाई स्कूल की टीम उनकी अध्यापन शैली और समय-समय पर मिलने वाले सही मार्गदर्शन और कठोर परिश्रम को दिया।

—मुकेश और मैट्रिक्स

मुकेश को उसका सपना पूरा करने में सबसे बड़ा योगदान किया उस एक फैसले ने जो था मैट्रिक्स हाई स्कूल का चुनाव! जी हाँ, वो ही मैट्रिक्स हाई स्कूल जो न केवल बोर्ड परीक्षा अपितु NTSE, KVPY, STSE इत्यादि परीक्षा में भी संपूर्ण शेखावाटी में सर्वश्रेष्ठ परिणाम देता रहा है।

मैट्रिक्स हाई स्कूल बना
आज के बच्चों की जरूरत
मैट्रिक्स न्यूज, सीकर

मुकेश को एनडीए में चयन के लिए कोई विशेष कोचिंग की आवश्यकता नहीं हुई और प्रथम प्रयास में ही संपूर्ण शेखावाटी के कुल 2 विद्यार्थियों के चयन में से 1 नाम मैट्रिक्स हाई स्कूल के छात्र मुकेश का है। मैट्रिक्स हाई स्कूल में फिजीक्स, केमिस्ट्री, मैथ्स और इंग्लिश विषय के हर एक टॉपिक को इतना सरल तरीके से पढ़ाया जाता है कि बच्चों को ये कठिन लगने वाले विषय भी बिलकुल आसान लगते हैं और वे बड़ी आसानी से अपने लक्ष्य को प्राप्त कर लेते हैं।
